## ! eport ng of Crimes

## Faculty and Staff

Thomas More University is committed to providing a safe and healthy working environment for employees, students, and visitors. We are committed to preventing workplace violence and to maintaining a safe working environment. The Department of Campus Safety has responsibility for implementing, administering, and evaluating the safety programs on campus. Its success depends on the alertness and personal commitment of all!

Employees should report criminal offenses that occur on campus to the Director of Campus Safety or any employee of the Department of Campus Safety. The online employee handbook outlines Thomas More's policies and procedures in regard to workplace safety and workplace violence. The information can be found by following the link (<https://www.thomasmore.edu/humanresources>).

Both students and employees are made aware of campus security procedures as well as practices to ensure personal safety and the safety of those around them through a variety of activities including safety alerts and newsletters, safety seminars held on campus during safety week, or weekly emails. Students and employees are provided with the Department of Campus Safety brochure which includes safety tips. Information on safety and emergency response is also posted on the Department of Campus Safety website at <https://www.thomasmore.edu/student-life/campus-safety/crime-prevention-tips>.

## 35 Campus Activities of Student Organizations

Thomas More University has no official student organizations that meet regularly in recognized campus locations. However, students are encouraged to report any criminal activity to the local law enforcement agency having jurisdiction of any location where official student organizations are engaged in campus activities. The Department of Campus Safety will assist students in acquiring law enforcement assistance if requested.

## Emergency Alert Policy - Emergency Alert System

The purpose of the Emergency Alert notifications is to notify the University community of a potentially harmful situation and to inform members of possible precautionary measures. The University community will be alerted about potentially unsafe, harmful, or threatening conditions in the University and/or surrounding community if/when they arise. Emergency Alert text messages through the AlertMedia system and email messages are sent to all students, faculty, and staff. Those who register their cell phones and to those who have computer access. Text Message alerts are tested annually. The safety of members of the Thomas More community is very important. If the any community member is aware of behaviors/conditions that may be harmful to others, he/she should notify the Department of Campus Safety, 302-338-2121, and/or the Dean of Student Affairs, 302-338-2121.

## Text Message Emergency Alert Procedures
